C. Quality & Regulatory Trust Badges

FSSAI Approved | WHO-GMP Quality Standards | Clean Label Formulations | High Bioavailability

2. ABOUT US / CORPORATE PROFILE

Heading

About Aurentis Lifesciences — *Elevating Human Health Through Scientific Precision & Uncompromised Quality.*

Who We Are

At **Aurentis Lifesciences LLP**, we are committed to transforming modern healthcare through research-backed, high-purity nutraceutical solutions.

Founded on the principles of clinical excellence, uncompromised purity, and scientific integrity, we bridge the gap between advanced medical research and therapeutic wellness. We specialize in developing targeted health formulations—starting with specialized **Liver Protection, Cellular Regeneration, and Antioxidant Support**. Every formulation under the Aurentis umbrella is produced using top-tier active ingredients in strict compliance with international quality standards, WHO-GMP guidelines, and FSSAI safety norms.

As a dynamic and forward-looking pharmaceutical & nutraceutical enterprise, we are continually expanding our pipeline to bring innovative, science-driven health solutions to doctors, patients, and healthcare partners across the nation.

> *"Aurentis Lifesciences is committed to crafting premium, science-backed therapeutic formulations that restore health, protect vital organs, and inspire clinical trust."*
